AFFIDAVIT

I, Andrew W. Kremer, having been duly sworn, depose and state:

1. I am a United States Postal Inspector, having been so employed since May 19, 2012. I am presently assigned to the Cincinnati Field Office, Pittsburgh Division of the United States Postal Inspection Service (USPIS) with investigative responsibility for southwest Ohio and northern Kentucky. Part of my investigative responsibility involves the use of the United States Mail in the illegal transporting of narcotics and other dangerous controlled substances and financial proceeds relating thereto.
2. Your Affiant completed United States Postal Inspection Service Basic Training in May 2012. The training involved narcotic investigation techniques, chemical field tests and training in the detection and identification of controlled substances being transported in the United States Mail. In addition to this formal training, your Affiant has worked since May 2012 with various federal, state and local law enforcement agencies in the investigation of the transportation of illegal drugs and their identification.
3. This Affidavit is made in support of a search warrant for the following property, namely a package associated with the following United States Postal Service (USPS) Priority Mail Express, Label Number:

a. EJ 278551275 US

as further described in Attachment A. This Affidavit is made in support of a warrant to search the package for evidence of a crime as well as contraband, fruits of a crime or other items illegally possessed in relation to the following offenses:

- a. Possession with Intent to Distribute Controlled Substances, in violation of Title 21, United States Code, § 841.

Because this Affidavit is being submitted in support of the application of the United States to search the package, it does not include every fact known concerning this investigation, I have set forth facts and circumstances that I have relied upon to establish probable cause to justify the issuance of a warrant to search the above-described package. The package is currently located at the USPIS Cincinnati Field Office.

4. Your Affiant has become aware that drug traffickers frequently use Priority Mail Express and/or Priority Mail, services offered by the USPS, to transport narcotics and other dangerous controlled substances. As a result of investigations and successful controlled substance prosecutions where Priority Mail Express and/or Priority Mail were used, your Affiant has learned of certain characteristics indicative of other Priority Mail Express and/or Priority Mail items previously identified as containing narcotics or other dangerous controlled substances. Some of these characteristics include, but are not necessarily limited to or used on every occasion - false or non-existent return address,

addressee is not known to receive mail at the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanating from the package, and the listed address is located in an area of known or suspected drug activity.

5. On or about June 25, 2020, your Affiant executed a federal search warrant on Priority Mail Express, EJ 390296667US, addressed to SOFI ALNSOS, 3424 FYFFe ave, Cincinnti Ohio 45211, with a return address of Adam Reese, 112. N. Main St, Manteca Ca 95336. The package was found to contain approximately 3.33 kilograms of a green leafy substance that field tested positive for marijuana.
6. On or about July 6, 2020, your Affiant intercepted the package at the Murray Carrier Annex, Cincinnati, Ohio.

The package is further described as:

Priority Mail Express, Label Number: EJ 278551275 US

Sender: 209-818-1218
Adam Reese
312 W Yosemite Ave
manteca Ca 95336

Addressee: 708-261-1652
KISKY Evans
2324 madison rd
Cincinnati oh 45208

7. Observation and USPS tracking information of the above listed Priority Mail Express package, by your Affiant indicated it was mailed from the Livermore Post Office, Livermore, CA 95336. Further observation of the package, by your Affiant, indicated pictorially similar handwriting between Priority Mail Express EJ390296667US (referenced in paragraph 5) and EJ278551275US. Through your Affiant's training and experience your Affiant is aware that the area in and around Livermore, California is a known drug source location. Furthermore, through training and experience, your Affiant, is aware that the area in and around Cincinnati, Ohio is a known area of drug trafficking.
8. The Consolidated Lead Evaluation and Reporting (CLEAR) database system was researched by your Affiant regarding the listed return address, 209-818-1218, Adam Reese, 312 W Yosemite Ave, Manteca Ca 95536. CLEAR is a public record data investigative platform available exclusively to law enforcement and other government investigators about people and businesses. The information obtained from the system indicated there is no Adam Reese associated with that address or phone number.

9. The CLEAR database was researched by your Affiant regarding the addressee, 708-261-1652, KISKY Evans, 2324 madison rd, Cincinnati oh 45208. The information obtained from the system indicated there is no KISKY Evans associated with that address or phone number. The USPS Look up a Zip Code database was queried by your Affiant. The information obtained from the database indicated that 2324 Madison Rd, Cincinnati, OH 45208 is an apartment building. There is no apartment number listed in the addressee line on the package. The CLEAR database does indicate there is a Sky Evans associated with 2324 Madison Rd Apt 410, Cincinnati, OH 45208.
10. On or about July 6, 2020, your Affiant arranged for Officer Corey Bonner, Cincinnati Police Department, to utilize a narcotics canine to check the package. Officer Bonner and his canine "Bronco" are a currently certified narcotics team. The team is certified by the Ohio Peace Officer Training Commission and the Office of the Attorney General (Ohio). Officer Bonner reports that "Bronco" passed all of his examinations and has successfully located hidden drugs in the past, and therefore your Affiant considers "Bronco" to be reliable. On the same date, your Affiant met Officer Bonner at the USPS Office, Cincinnati, Ohio, where the package listed above was placed in a separate room among several other similar packages and presented to narcotic canine, "Bronco," who alerted positively to the presence or odor of a controlled substance upon the USPS package described below:

a. Priority Mail Express, Label Number: EJ 278551275 US

Attached herewith, and incorporated by reference, is a photocopy of the narcotic canine handler's record of examination.

11. Based upon my experience and training, this information, along with the positive alert of narcotic canine "Bronco," is indicative of the package containing narcotics or proceeds relating thereof.

12. Based upon the information contained in this Affidavit, your Affiant believes that there is probable cause to believe that the package described below will contain evidence and/or contraband, fruits of crime, or other items illegally possessed:

a. Priority Mail Express, Label Number: EJ 278551275 US
